

April 8, 2010

Dear Fellow Trenton Club Members,

Please join us on Tuesday, May 4, 2010 at 5:30pm for our Annual Meeting and Dinner.

Your attendance at this Annual Meeting is especially important. The Trenton Club is at a pivotal stage in its history and we will be discussing the future management and operation of the Club at the meeting. Your Board of Directors has been working diligently on ensuring that our member's club experience is second to none. As you know we have undergone many different renovations over the past 5+ years including internal remodeling, painting and technology upgrades. As you also know we have had a turnover in management over the past 2 years and membership has been relatively static.

It is critically important that we take the time at the Annual meeting to discuss our vision for the Club going forward. We encourage you to "think outside the box" and bring your thoughts and ideas to the meeting on how you see the Club thriving and growing in the future. It is our intention to take the info received from that night and make a call to action either that night or shortly thereafter; a call to action that may change the current way that we do business.

As is tradition the Annual Meeting is MANDATORY and therefore you will be charged regardless of your attendance. As has also become tradition, you are invited to bring your significant other to join us that evening. We are planning a wonderful dinner with an open cocktail reception, Prime Rib and wine service with dinner. The cost will be \$75.pp. Please RSVP by calling John at the Club at 609-393-4882 or place your name in the book at the Club.

We look forward to seeing you there.

Very truly yours,

Anthony

Anthony Carabelli
